On 8 March 2013 the Ayurveda Parkschlösschen won the 20th SENSES Award in the new category, "Best Ayurvedic Resort Outside India". In the historical Kaisersaal at the Potsdamer Platz in Berlin, 200 invited guests from the hotel, film and TV world gathered for festivities. Carina Preuß received the award for the Parkschlösschen.

The SENSES Award, given for the 20th time by the international spa and lifestyle guide, SENSES, has become a seal of quality for the entire spa industry. From a total of 500 nominees in various categories, the 16 winners were chosen by an international jury and the editorial staff of SENSES. The success of the holistic approach and outstanding practice of Ayurveda medicine at the Parkschlösschen have thus been honoured by a further prize during the 20th anniversary year of the hotel.

The entire Parkschlösschen team is particularly happy to receive this special award in the year of its 20th anniversary. Also the guests of the Parkschlösschen have made a significant contribution to this success.
