Spafinder Wellness 365 TM announced the winners of the 2015 Wellness Travel Awards during a press event in London on 4th November and directly handed out three awards for the categories Best for Mind & Spirit, Best for Weight Loss and Best for Yoga to the Ayurveda Parkschlösschen. Introduced in 2014, the Wellness Travel Awards reflect the demand for health related tourism and honour those hotels and resorts worldwide offering the best wellness programme.

The finalists were nominated from among 509 hotels in 53 countries. The winners were determined by a panel of 33 travel and wellness journalists and experts as well as by 10.000 consumers and travel agents, who chose their preferred hotel in 20 categories.

Carina Preuß, daughter of the owner family, accepted the award on behalf of the hotel. The whole team at the Ayurveda Parkschlösschen are extremely thrilled to receive these terrific awards.
